## Face Coverings

Dear Parents/Carers,

I wanted to take this opportunity to reach out to you to say thank you for those of you who are following the advice given by the Director of Public Health and the Director of Children and Family Services requesting that face coverings are worn by parents and carers at school pick up and drop off in Leicestershire.

As a school, with our governors, we are doing everything we can to keep the children, staff and our parents safe. Following this guidance will allow our school to continue to operate as normally as possible in these extraordinarily difficult circumstances, for us all.

If you do have any questions, concerns or comments then I plan to be available on the main school gate from 8:50-9:30 and from 2:50-3:30 tomorrow (Friday). If this is not convenient then please call the office at any point tomorrow and I will make sure that I will get back to you, if not tomorrow, then as soon as possible next week. Please ensure we have accurate contact details for you.

Thank you for your continued support during these unprecedented times.

Terena Moreton  
Headteacher
