

BARWELL INFANT SCHOOL

Wednesday 14th October 2020

Dear Parents and Carers,

Thankfully, the government has been clear that there are **no plans to close schools** at this time. However, we have learnt from the first wave of infections that plans can change at short notice, so we feel that it would be wise to start to gather information about parents who are 'critical workers'.

Just like during the first wave, children of critical workers would be entitled to continue to attend school in the event of a closure. You can find the government's latest criteria for 'critical workers' at www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision

Please return this form by Friday 16th October at the latest.

Please note, in the unlikely event of a school closure, we may need to contact your employer directly to seek proof that the role you carry out with them is critical to the government's COVID strategy.

If you do meet the government's critical worker criteria, would you be wanting to continue to send your child into school during a closure, or would you want to make your own arrangements?

send into school	make own arrangements	not sure
